Prepare CPA
(Certified Public Accountant)

CPA is considered to be the most Elite profession & the Highest Qualification in the field of Accountancy. A CPA Examination is administered by the American Institute of CPA (AICPA).

Most of the CPA’s, having started their Career in accounting, can virtually work in any area of Finance like Assurance & Attestation, Financial-Accounting, Analysis & Planning, Forensic Accounting, Income Tax, Regulatory Reporting, Merger & Acquisition and such other fields.
Eligibility for CPA

- In order to appear for the Uniform Certified Public Accountant (CPA) Examination, the candidate has to be at least a Post Graduate, preferably from Commerce stream i.e. MCOM, MBA Finance etc.

- There are states who accept B.Com with CA from ICAI as well. However, the exact criteria for the same will vary from state to state, you can get in touch with our executive for further details on the same.

Exam Scheduling

- EduPristine will help you with the Admission formalities, Assistance on Evaluations, Exam registration formalities.

- Once your application is Accepted, you will receive a Notice To Schedule (NTS) which will let you sit for the exam at one of the Prometric Centre’s in the U.S. The date and time for the exam will be of your preference.

- Indian Citizens can now appear for examinations at Middle East.

Career Opportunities

- With more number of MNC’s establishing in India and Indian companies going Global, there lies an opportunity for a person who understands the Foreign Accounting Principles & Standards and this makes CPA’s one of the most sought after professionals in the field of Finance & Accounting.

- Within public accounting, you can work in areas such as audit, tax and management consulting, financial accounting and reporting, management accounting, financial analysis and treasury/cash management, financial forensics, business valuation, personal financial planning, and IT consulting.

- Average CPA salaries are 40% higher than the salaries for most of the jobs nationwide.
