ACCA

(Association for Chartered Certified Accountants)

ACCA is a globally recognized qualification that provides world-class accountancy expertise with the highest standards of practice and ethical conduct. With 188000 members & 480000 students in 181 countries and network of 92 offices & centers across the world, the ACCA is one of the largest & fastest growing Global Accounting Body. An ACCA can work in any sector with roles in Accounts, Auditing, Compliance, Finance, Tax, Fund Management, Merger & Acquisition and other such roles.
Why ACCA

- Global Recognition
- Huge Opportunities in India & Globally
- Multiple Certifications
- Defined Exit Profiles to get a job at any level
- Exemptions in ACCA Exam for Commerce Graduates
- An ACCA gets an average 10-12% higher salary than the other non-certified accounts professional

Career Opportunities

An ACCA gets an average 10-12% higher salary than the other non-certified accounts professional. With more number of MNC’s establishing in India and the Indian companies going Global, there lies an opportunity for a person who understands the Foreign Accounting Principles & Standards and this makes ACCA’s one of the most sought after professionals in the field of Accounting & Finance.
